The second 2012 EU ETS Compliance Forum Event,  
Brussels, 1<sup>st</sup> & 2<sup>nd</sup> October 2012

**Niels-Christian Dalstrup**  
Chair EA EX WG on EU ETS

# AVR Guidance

- Purpose of guidance documents and templates
  - harmonisation, understanding, confidence, transparency
- Guidance documents in relation to “New comers”
  - NAB and CA
- Use of the Guidance documents and templates
  - not additional requirements

# EA-6/03

## Revision of EA-6/03

- structure following ISO 14065
- take into account
  - AV Regulation requirements + guidance
  - IAF MD6
- Specific areas, e.g. on competence
- Mandatory for NAB's

# Supporting NAB's

- Training of assessors
  - NAB assessors and peer evaluators
  
- EA CC EU ETS Network Group
  - Exchange of experience and FAQ
  - Need for further training

# Templates

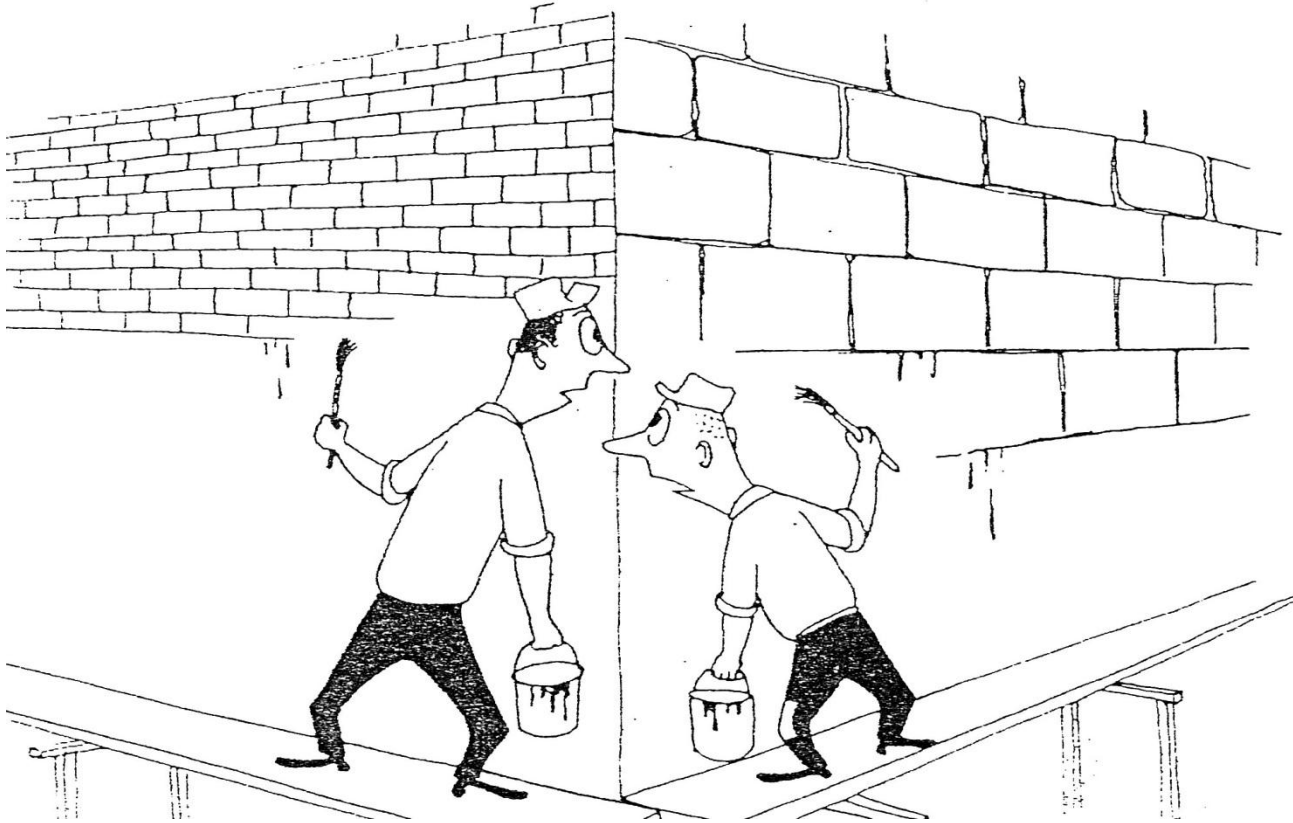

Templates for information exchange

- New to all of us
- Extra work for involved parties
- Long term value
- “Test” of templates

# Future guidance

- What will be needed to ensure an efficient implementation and continuous improvement of the system
- more guidance ?
- more templates ?

# Expectations

Communication is a key element to understanding and harmonisation
