of 27 February 2008

instructing the Central Administrator of the Community Independent Transaction Log to enter into the Community Independent Transaction Log the National Allocation Plan table of Liechtenstein for the 2008-2012 period of the Community Emissions Trading Scheme

THE EFTA SURVEILLANCE AUTHORITY

Having regard to the Agreement on the European Economic Area,

Having regard to the Act referred to at point 21a of Annex XX to the EEA Agreement,

Commission Regulation (EC) No 2216/2004 for a standardised and secured system of registries pursuant to Directive 2003/87/EC of the European Parliament and of the Council and Decision No 280/2004/EC of the European Parliament and of the Council,

as adapted to the Agreement by Protocol 1 thereto (hereinafter “Commission Regulation (EC) No 2216/2004”), and in particular Article 44(1) and (4) thereof,

Whereas Liechtenstein notified to the EFTA Surveillance Authority (hereinafter “the Authority”) by letter of 20 February 2008 its allocation decision for the 2008-2012 period taken under Article 11 of the Act referred to at point 21a of Annex XX to the EEA Agreement, (*Directive 2003/87/EC of the European Parliament and of the Council of 13 October 2003 establishing a scheme for greenhouse gas emission allowance trading within the Community and amending Council Directive 96/61/EC*) and its national allocation plan table for the 2008-2012 period drawn up on the basis of Article 44(1) of Commission Regulation (EC) No 2216/2004,

Whereas the Authority finds that the notified national allocation plan table corresponds to the Liechtenstein’s allocation decision and is based upon the national allocation plan notified by Liechtenstein, to which the Authority did not raise any objections in its Decision No. 728/07/COL of 19 December 2007,

HAS ADOPTED THIS DECISION:

1. The Authority instructs the Central Administrator of the Community Independent Transaction Log to enter the National Allocation Plan table of Liechtenstein for the 2008-2012 period into the Community Independent Transaction Log in accordance with the initialisation procedures set out in Annex XIV of Commission Regulation (EC) No 2216/2004.
2. The National Allocation Plan table of Liechtenstein is represented in the Annex.
