

9th EU ETS Compliance Conference

Task Force Aviation

Mladen Vukovic

Main objective and activities

- Sharing best practices, identifying issues and providing common solutions for day-to-day aviation regulation activities:
 - Compliance, enforcement and debt recovery.
 - ETS-SF, DECLARE and Union Registry.
 - Splits, mergers, and aircraft operators in administration.
- CORSIA Implementation.

Summary of recent activities

- Joint TF Aviation and EU ETS Implementation Workshop 27 November 2018:
 - Compliance.
 - Debt recovery and insolvencies.
 - CORSIA implementation in the EU (approach, MRR amendments, aircraft operator attribution).
 - CORSIA implementation in the UK (sharing experiences).
 - Potential for political opposition to EU ETS.

Looking towards 2019

- CORSIA
- Insolvencies
- Brexit
