

List of Administering Authorities for EU ETS Maritime

Last update: 21 March 2024

The implementation of the EU Emissions Trading System (ETS) requires the active involvement of administering authorities in respect of a shipping company, which are the authorities responsible for administering the EU ETS in respect of a shipping company in accordance with Article 3gf of Directive 2003/87/EC.

The table below provides information – including contact information – on administering authorities in each Member State pursuant to Directive 2003/87/EC. Its objective is to inform stakeholders and facilitate identification of the responsible authorities.
