

## **BREAK-OUT SESSION 1: MONITORING AND REPORTING (M&R) - TOUR DE TABLE -**

**MAIN FOCUS: Validation/Review of Annual Emissions Reports and  
Validation/Approval of Improvement Reports**

**WHICH ASPECTS ARE INTERESTING:**

- 1. How are those procedures organised?**
- 2. Did you establish checking priorities?**
- 3. What are the main challenges (internal procedures and AER findings)?**
- 4. Suggestions for M&R issues/questions you want to have addressed in the TF M&R work program 2015?**
