2013 Accreditation & Verification Forum

Thursday 31st October 2013

Timely preparation of verifiers for 3rd Phase Verifications

Lourdes Martín

Technical Director of Climate Change

WHEN YOU NEED TO BE SURE

SGS

Established in 1878, SGS was registered in Geneva as Société Générale de Surveillance in 1919.

With more than 75,000 employees, we operate a network of more than 1,500 offices and laboratories around the world.

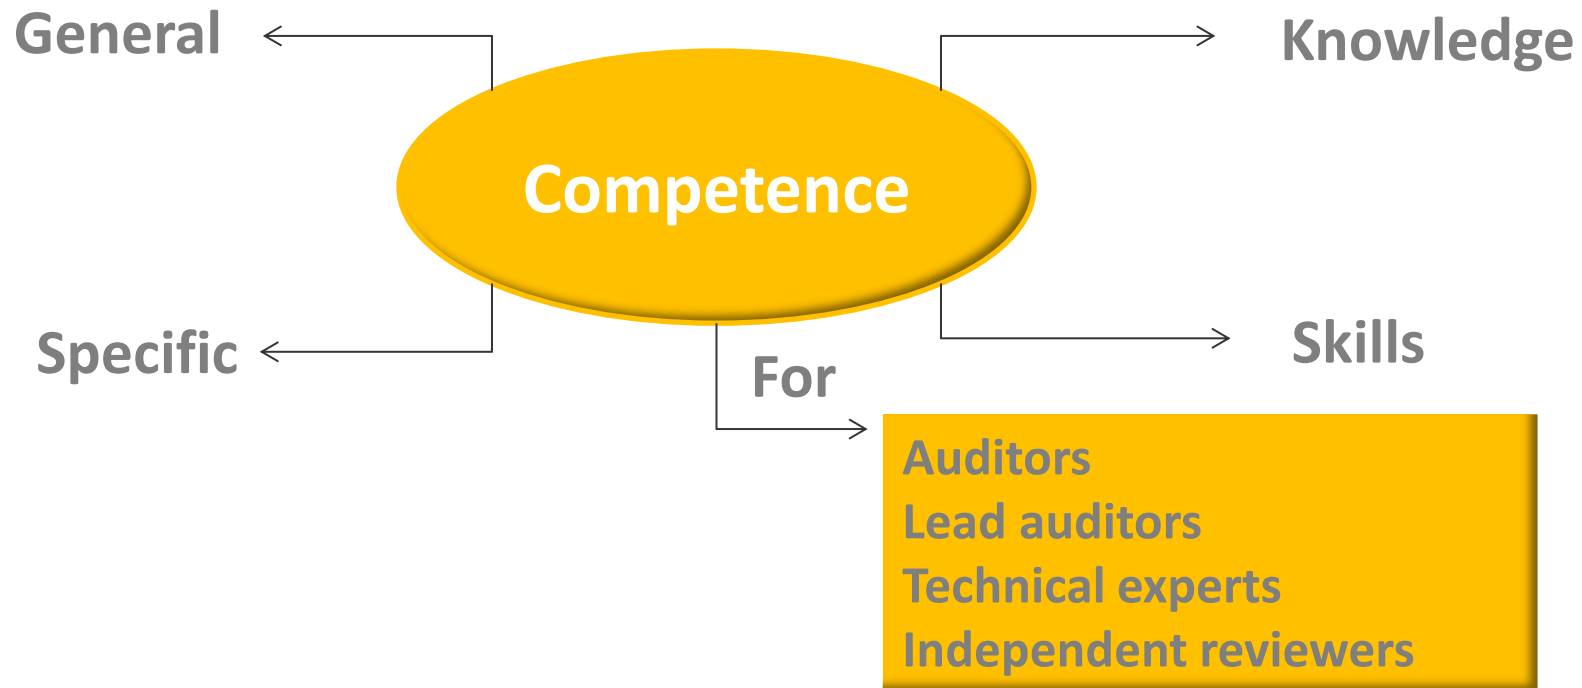

Our core services can be divided into four categories:

- Inspection
- Testing
- Certification
- Verification

The current structure of our company, consisting of ten business segments operating across ten geographical regions, was formed in 2001.

The verifier body and its personnel have to be competent to perform a verification.

REQUIREMENTS

Verification team

Competence Process
