

## The Danish Emission Trading Registry

The fee to hold an account is per year.

When opening a trading or verifier account the fee must be paid before the account is opened and in these cases the fee covers the rest of the calendar year.

<b>Account Type</b>	<b>Fee amount €</b>
Operator holding account	709,50 + 0,3 per allocated EUA
Aircraft operator holding account	709,50 + 0,3 per allocated EUA
Trading account	709,50
Verifier account	486,50
External trading platform holding account	0

There is no external trading platform account in the Danish registry
