- **GAP** between legislation and actual implementation
- Minimum Criteria
Environmental Inspections
- Facilitate Cooperation between MSs
- Voluntary
- 3 Clusters

European Union Network for
the Implementation and Enforcement
of Environmental Law

WHY

- *Waste Shipment Regulation
- *Cross-border
- *Cradle-to-Grave
- *Share and Exchange

How

- *Aims
- *Status
- *Organisation
- *Activities
- *Tools
- *Communication

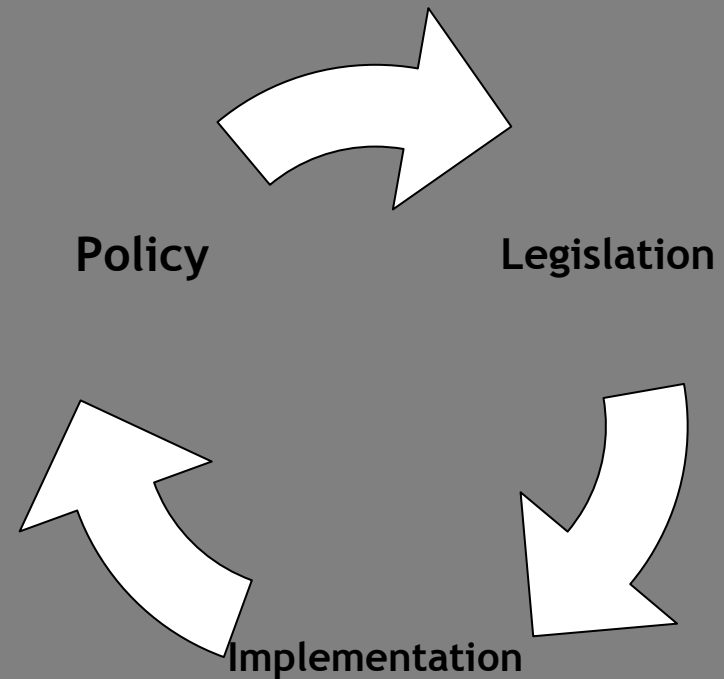

➤ Informal contacts

➤ Practical

➤ Mutual Understanding

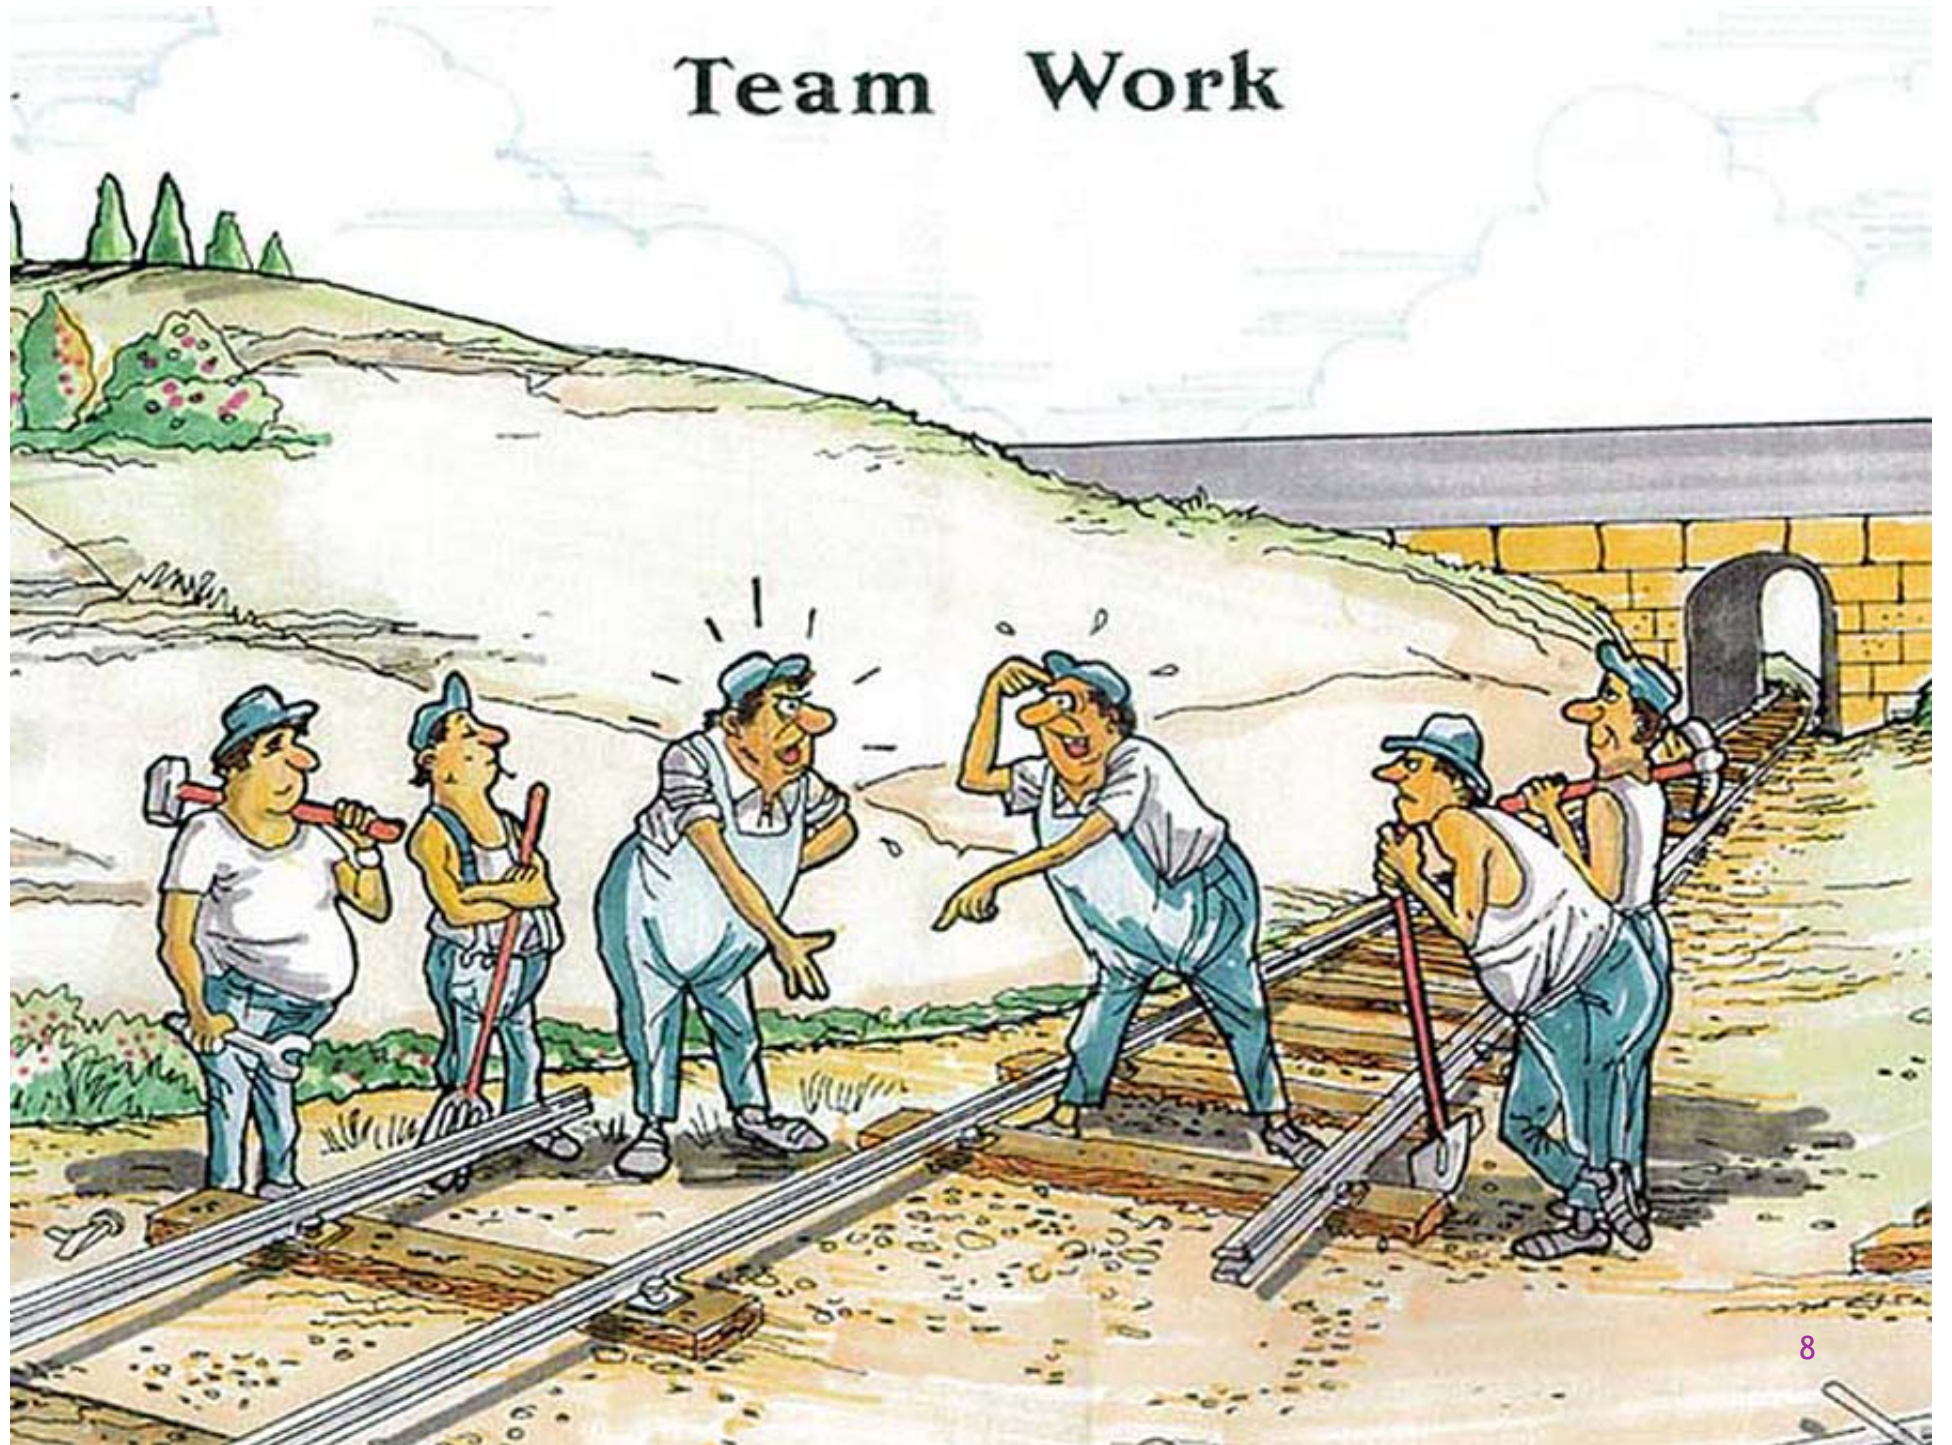

➤ Feedback into regulatory cycle by the network

Some considerations...

- * Involvement of MSs and others
- * National structures
- * Funding
- * Differences of Opinion
- * Policy versus Enforcement
- * MS view versus '*real life*'
- * Sovereignty
- * CULTURE!

Team Work

Thank you!
