

10th EU ETS Compliance Conference

Task Force Aviation

Pierre Primard & Saviour Vassallo

Main objective and activities

- *Task Force Aviation main focus for 2019 has been the implementation of CORSIA, within the context of EU ETS Dir Art 28b*, and associated matters.*

** "[CORSIA instruments] to be implemented in Union law through a revision of [the EU ETS] Directive."*

- *Proposals for amendments to EU ETS MRR regarding fuel use monitoring methods and biofuels (2 discussion notes submitted to the Commission).*
- *Input towards development of CORSIA Reporting Tool.*
- *Input towards development of Eurocontrol ETS Support Facility (SF) into ETS + CORSIA SF.*

Other matters considered

- *3 meetings held in 2019 (07/02; 07/05; 10/09).*
- *Discussions, sharing of experiences, lessons learnt, on:*
 - *Regular updates on ETS-related developments at EU level (e.g. delegated act; new AE reporting template; DECLARE);*
 - *Treatment of mergers/acquisitions in ETS SF;*
 - *Approval of updated EMPs;*
 - *Insolvency issues and implications for EU ETS;*
 - *Potential for harmonized approach for re-attribution of AOs upon withdrawal of UK;*
 - *Linking with Swiss ETS.*

Looking towards 2020

- *2020: 1st round of AE reporting for ETS + CORSIA: sharing of experiences, analyse issues encountered.*
- *Analysis of and feedback to forthcoming proposal by the Commission on amendments to the EU ETS Dir so as to implement CORSIA (pursuant to ETS Dir Art 28b).*
- *Continue input towards development of templates, EUROCONTROL tools.*
- *YOUR FEEDBACK ON TOPICS TO BE CONSIDERED BY TF-AVIATION IS CRUCIAL!*
