Nederlandse Emissieautoriteit

Dutch Emissions Authority

Task Force Accreditation and Verification

Margreet Kleijn

Overview

- Objectives Task Force
- Institutional aspects
- Workplan
- SharePoint
- First Task Force meeting

Objectives Task Force

- Task Force established to facilitate harmonisation, efficiency and effectiveness in the implementation of the ETS Directive, AVR and other relevant legislation for the verification of EU ETS data, by
 - ✓ Exchanging views on verification and accreditation issues
 - ✓ Sharing experiences on the use of Guidance documents and templates, developed by the Commission
 - ✓ Providing input into Commission projects
 - ✓ Identifying and sharing common views on FAQs

Institutional aspects

- CA representatives of all member states are invited to participate
- External experts (e.g. NAB) are not members of the Task Force but may be invited to express their views on specific items
- Meeting venue may vary
- Aim is to use Video- or teleconference

Workplan of the TF A&V

- Annual workplan containing the planned TF activities
- In 2013 we will focus our activities on:
 - ✓ Issues of verification/verifiers (e.g. review of AER/verification report)
 - ✓ Information exchange and cooperation between CA and NAB, e.g. a list of CA focal points for exchange of information
 - ✓ Issues on accreditation, e.g. sharing experiences on timely accreditation against new AVR

SharePoint

- Share Point is an information platform for:
 - ✓ exchanging documents and information
 - ✓ sharing organizational matters
- New tab for Accreditation and Verification where you can find e.g:
 - ✓ Terms of Reference TF, Workplan
 - ✓ List of focal points/contacts for information exchange to fill in
 - ✓ In the near future: excel list of documented issues (common views on FAQs)
 - ✓ Minutes of TF-meetings etc.

First Task Force Meeting

- First meeting took place on 18 april in The Hague
- The meeting was well attended and informative
- Productive 'round table discussion' has provided input for the workplan
- Participants enthusiastic and ready to share information, expertise and help carry out the workplan
- Next meeting in Birmingham, UK (October)

Invitation to join TF /access Share Point

- CA representatives are encouraged to:
 - ✓ Gain access to SharePoint
 - ✓ Join the TaskForce and participate in its activities
- If you are interested please contact:
 - ✓ margreet.kleijn@emissieautoriteit.nl or
 - ✓ the coördinator of the CF secretariat:
chris.dekkers@eu-etscomplianceforum.eu

Thank you for your attention
