

11th EU ETS Compliance Conference

Task Force Aviation

Saviour Vassallo & Pierre Primard

Main areas of focus for 2020

- Implementation of CORSIA, within the context of EU ETS Dir Art 28b*.

* “[*CORSIA instruments*] to be implemented in Union law through a revision of [*the EU ETS*] Directive.”

- Feedback from the first ETS + CORSIA reports: sharing of practices.
- Linking with Swiss ETS.
- Input towards development and subsequent use of CORSIA Reporting Tool.
- Input towards development of Eurocontrol ETS Support Facility (SF) into ETS + CORSIA SF.

Activities for 2020

- 3 meetings held in 2020 (13/02; 26/05; 04/09).
- Discussions, sharing of experiences, lessons learnt, on:
 - *Regular updates on ETS-related developments at EU level (e.g. new EMP template; new AE reporting template; DECLARE);*
 - *CORSIA Reporting Tool testing and feedback from States;*
 - *Feedback on the SET 2019, comparison with SET 2018;*
 - *States CORSIA report to ICAO and the Commission;*

The TF session at the Conference

- Member States' experience with ETS & CORSIA MRV process in 2020
- Tour-de-table on MS experiences with ETS & CORSIA MRV process in 2020
- The EUROCONTROL perspective: Eurocontrol's views on the ETS & CORSIA process and how it sees its collaboration with Member States evolving in future.

Looking towards 2021

- 2nd cycle of EU ETS + CORSIA reporting and 1st cycle of CH ETS reporting: building on shared experiences from 2020, identifying and addressing common issues encountered.
- Analysis of, and feedback to, forthcoming proposal by the Commission on amendments to the EU ETS Directive.
- Withdrawal of UK: modalities and consequences for the EU-ETS implementation.
- Continue input towards development of templates, EUROCONTROL tools.

YOUR FEEDBACK ON TOPICS TO BE CONSIDERED BY TF-AVIATION IS CRUCIAL!

Thank you
