

Task Force Accreditation and Verification

Margreet Kleijn

TF A&V workprogramme 2016

- Two meetings and a webinar
- *Activities e.g:*
 - Best practices and experiences on information exchange
 - Experiences on site visits waiver
 - Discussion on the interpretation of 'qualitative materiality'
 - Proposal to widen the criteria for the waiver of site visits → update KGN II.5 re-endorsed and published
 - AVR 2020
 - Findings review emissions report/verification report
 - EA presentation on update EA 6/03

TF A&V in 2017

- *Better understanding- harmonised approaches, e.g.*
 - Role verifier with respect to data-gaps
 - Impartiality
- *Share experiences-best practices, e.g.*
 - Review AERs/VRs
 - Verification of allocation data
 - Internal verification documentation
- *Communication and cooperation with EA*
 - Information exchange
 - Input into EA activities where relevant and vice versa
- *AVR 2020*
- *Suggestions for workplan 2017 are welcomed!*

THANK YOU
