

# Aviation Tour de Table: topics

- *What has been going well?*
- *Possible improvements?*
- *Priorities for TF aviation?*

- *Clean-up of COM list*
- *Issue of allowances / setting accounts to excluded / splits and mergers*
- *Special reserve*
- *Enforcement, linking to non-EU operators (operating ban?)*
- *Sustainability criteria for biomass*
- *Regional workshops / topic specific teleconferences or webinars*
- *Sharing best practice*
- *How can TF input into MBMs / TF role in following progress of MBMs?*
- *TF input into COM guidance and FAQs*
- *Approach to AOs around the threshold / those with low intra-European flights*
